The Property

This brand-new natural Cotswold stone detached cottage is located in the highly sought-after village of Ashton Keynes in the heart of the Cotswold Water Park. Constructed in 2024, the cottage is set in a quaint lane within the village proper and is nestled beside attractive period cottages. The thoughtfully designed accommodation extends to around 1,032 sq.ft arranged over two floors. The living room features a multi-fuel stove with a granite surround. The kitchen is open plan to the dining area with patio doors out onto the side terrace. The kitchen has been designed around a central island with integrated appliances including a fridge/freezer, dishwasher, oven, hob and extractor. Adjoining the kitchen is a useful cupboard beneath the stairs which has plumbing for a washing

machine. The entrance hall also has a separate downstairs WC. On the first floor there are two double bedrooms and a bathroom which boasts both a bath and a separate shower. The house benefits from plenty of natural light and the landing has space for a desk in front of the window for home workers.

Outside, a gravelled driveway offers private parking for two cars complete with an EV charging point. An impressive and historic Cotswold stone orthostatic wall fronts the cottage and frames the garden which enjoys a sunny south-west aspect. This lovely new property presents a great opportunity for an easily manageable country retreat or holiday let, or equally as a desirable primary residential home.
