The Property

Meadow View is a unique detached modern house with a very impressive interior having been upgraded and remodelled creating a substantial home. Located in the popular village of Great Somerford, the property is within level walking distance to amenities including the village shop, primary school and pub. Having been completed to a high specification, the property is filled with natural light throughout amplified by excellent proportions. Extending to around 2,580 sq.ft, this fantastic home appeals to a range of buyers including families or for the downsizer needing space to accommodate visitors. Additionally, a superb feature is the ground floor layout which has been thoughtfully designed with accessibility in mind offering lateral living and downstairs bedroom accommodation.

The ground floor is entered through an impressive entrance hall with a curved timber staircase leading to a galleried landing above. The ground floor layout comprises a magnificent open plan arrangement incorporating three reception areas leading onto the kitchen. The living room area has a cosy wood-burning stove whilst a vaulted ceiling with skylights above the dining area provides ample natural light. The accommodation equally flows just as well into the garden, with three sets of

glazed patio doors leading outside for ease. The kitchen is well-equipped with integrated appliances including an electric Aga, double oven, warming drawer, dishwasher and fridge/freezer. A utility room provides plenty of useful storage and houses a water softener.

The bedroom accommodation spans across both the ground floor and the first floor comprising four double bedrooms. There are two en-suite shower rooms to the principal bedrooms on both floors. The family bathroom is located on the first floor fitted with a free-standing bath. The first floor accommodation enjoys views over the countryside surrounds through Juliet balcony doors and large windows.

The house is accompanied by excellent outbuildings which include a home office complete with heating and WiFi. Adjoining, there is versatile workshop and store room.

Meadow View sits comfortably within an approximately 0.25 acre plot screened by high hedging and stone walling which creates a great degree of privacy. Entered through double timber gates, there is a generous amount of parking to the front and side of the property for numerous vehicles. An EV charging point has been installed. The gardens wrap around to the rear and side of the

house. Framed by a beautiful red brick wall featuring climbing plants, the gardens have been landscaped into various areas including a raised timber deck, patio terrace and a lawn to the side.
