THE HAZELWOOD DEVELOPMENT

HAZEL LANE, GREAT WYRLEY,
WS6 6AA

Hazelwood is a stunning development of 17 new Homes in an idyllic location nestled in seven acres of beautiful countryside in the South Staffordshire Village of Great Wyrley.

The Site features 14 substantial, detached Houses, each in excess of 4,000 square feet and which sit in sizeable plots - most plots are between one third of an acre and nearly half an acre, together with 3 detached Bungalows, each sitting in their own private plots. All Houses and Bungalows have private drives and landscaped gardens.

Hazelwood is a private and gated development - the site already has an established tree line around three sides of its perimeter and the plan is to extend this and plant trees along the fourth side adjacent to Hazel Lane. In addition, there will be extensive, attractive, landscaped estate areas. The Site is surrounded by fields, with extensive views across open Countryside - it has the advantage of this Countryside setting whilst being within easy reach of all local amenities, major towns and rail and road systems.

THE LOCAL AREA

The local area provides everything a buyer could wish for including excellent schools, shopping and leisure facilities all close by – the new West Midland Designer Outlet is less than 3 miles from Hazelwood – Cannock Chase, an area of outstanding natural beauty, is less than 7 miles away.

Great Wyrley is a large Village and civil parish in Southern Staffordshire. It is mentioned in the Domesday Book and as early as 1086 is said to have been indirectly owned by the Bishop of Chester St. John's as part of the 'somewhat scattered holdings' of the Church of St. Chads in Lichfield.

Just over one mile from Hazelwood is the Hamlet of Little Wyrley, home to Little Wyrley Hall, an estate of some 1,000 acres of Prime Farming Land. The Hall is a Grade 2 listed, Tudor Manor House, acquired by the Fowkes Family over 400 Years ago during the reign of Queen Elizabeth 1. It has been owned throughout by the same Family through descent to the current owners. The Land owned by the Little Wyrley Estate is an example of the Beautiful Green Belt Countryside which surrounds Hazelwood.
