General Description

Smiths Property Experts are pleased to offer to the market this beautifully presented and immaculate two double-bedroom apartment at the award-winning Waterside Village in Loughborough. With two private parking spaces, exceptional communal facilities and a lift, the property offers all the benefits of living in this exclusive community.

The Mill

The property offers an exciting opportunity to live in a beautiful converted former working Mill in the heart of Waterside Village. The development includes a gated and prestigious collection of luxury apartments with amenities such as a gym, a communal co-working area with a meeting room, allocated parking, a waterfront terrace and gardens, and a daily concierge service.

The Mill consists of seventy six apartments, all with a 10-year LABC warranty and a 250-year lease. The development has been designed sympathetically, with exposed brickwork, large windows, and tall ceilings that pay homage to the area's industrial past. The building's history and traditional fabric have been preserved while incorporating modern and stylish interventions. There is a beautiful communal terrace area with views across the canal, sun loungers, seating, and al fresco dining space.

This exceptional development offers easy access to Loughborough town centre and is within walking distance of the train station

The Apartment

The apartment is designed to a high specification with underfloor heating, beautiful bespoke glazing, modern kitchen and bathroom suites, and bright and spacious living areas. The generous entrance hall includes two storage cupboards. There are two large double bedrooms, a separate bathroom, and a spacious kitchen, dining, and living area with a Juliet balcony. The kitchen is equipped with high-quality, fully integrated appliances. The property boasts two designated car parking spaces, a rarity in the development where most apartments only have one.
