

A beautifully presented former Farmhouse cottage set in approx. 2 acres and surrounded by farmland. The property has been essentially rebuilt by the current owners to their own exacting standards to create an extremely spacious modern home. The position of the property is down a farm lane past the neighbouring properties and opens onto a large driveway and double garage at the head of the lane which fronts the property. The property has had a full refit throughout, with roof, windows and doors, plumbing and fittings all being new from 2016. The location of the property is conveniently positioned to allow for easy access to local roads, A22 and A27 being within easy proximity, and Polegate Train station providing direct trains through to London Victoria, Gatwick, Brighton and Lewes. Local shops and schools are all within easy reach, and the larger town of Eastbourne provides further leisure facilities and Seafront walks. The accommodation on offer comprises of an entrance into the large kitchen/breakfast room which is a classic design and benefits from some integral appliances, plus a large double sided wood burning stove providing that cosy setting for both the kitchen and the adjoining snug/dining room. The kitchen also access the garden to the rear, and there is a separate utility room plus cloakroom on this side of the cottage. Through the inner hallway you will find a truly spectacular sitting room, again with fitted wood burner, which measures an impressive 27ft8 x 18ft8 and being triple aspect with double glazed sliding doors onto a side patio area. Upstairs there are four great sized bedrooms, two with modern en-suite shower facilities, and a further luxury family bathroom. The space on offer in the loft would allow further scope for extension (subject to permission) and would create another spectacular outlook and bedroom suite. The extensive grounds have been landscaped to create gardens on all sides measuring approx. a quarter of an acre, mature planting and vegetable growing areas mean that it is manageable with an extra field of land of approx one and quarter acre for personal use. The garaging and driveway mean there is never a shortage of parking available.

Guide Price £975,000

Tenure Freehold | Council Tax Band- F

Nightingale Cottage, Hailsham Road, Polegate, BN26 6RE

We have prepared these property particulars & floor plans as a general guide. All measurements are approximate and into bays, alcoves and occasional window spaces where appropriate. Room sizes cannot be relied upon for carpets, flooring and furnishings. We have tried to ensure that these particulars are accurate but, to a large extent, we have to rely on what the vendor tells us about the property. You may need to carry out more investigations in the property than it is practical or reasonable for an estate agent to do when preparing sales particulars. For example, we have not carried out any kind of survey of the property to look for structural defects and would advise any homebuyer to obtain a surveyor's report before exchanging contracts. We have not checked whether any equipment in the property (such as central heating) is in working order and would advise homebuyers to check this. You should also instruct a solicitor to investigate all legal matters relating to the property (e.g. title, planning permission, etc) as these are specialist matters in which estate agents are not qualified. Your solicitor will also agree with the seller what items (e.g. carpets, curtains, etc) will be included in the sale.
