18 Priory Way, Tetbury, Gloucestershire, GL8 8HT

A tastefully presented, four-bedroom detached chalet-bungalow situated in a peaceful and highly regarded cul-de-sac that is within walking distance of the town centre. The property is accompanied by a south-easterly facing rear garden, a driveway providing off-street parking and a single garage.

Priory Way is a mature cul-de-sac believed to have been built in the 1970's and is favourably situated close to Tetbury town centre. This particular property has been under the current ownership for some 18 years and has been lovingly updated and improved during this time, including two extensions to the rear. The versatile accommodation is arranged across two floors and reaches approximately 1575sq.ft.

The property is entered via a useful porch, which is a great space for storing shoes and coats before entering the main hallway. The hallway sits centrally within the ground floor and provides access, via glazed double doors, into the spacious and light filled sitting room. This room has a focal chimney breast with an electric fire inset, and the large front window overlooks the garden. At the end of the hallway, and with direct access onto the rear garden via French doors, is the fully fitted kitchen/dining room. This comprises a great selection of fitted wall, base and full height units with space for a range cooker, an American style fridge freezer and plumbing for a dishwasher and washing machine. At the far end of the kitchen is the dining area which makes it a great sociable room, and beyond this is an orangery that provides a seating area with an outlook across the garden. The kitchen also benefits a further personnel door onto the side access pathway. Across the hallway are three further ground floor rooms, which offer great versatility to be used as either bedrooms or reception rooms. The current arrangement provides a pleasant guest bedroom, a study and a further snug. All three of these rooms boast the useful feature of fitted cupboards. Completing the ground floor is a recently updated shower room with a double walk-in shower, wash basin and W.C fitted within a vanity unit.

The first floor consists of two bedrooms; one of which is used as the master bedroom with further fitted wardrobes and useful eaves storage cupboards, whilst the second bedroom is of a double size, which could be used as a dressing room should the full first floor be used as a main suite. The bathroom sits adjacent to the double bedroom comprising a white suite with a shower over bath, W.C and wash basin along with a heated towel rail.

Externally, there is a block paved driveway to the front of the property which is bounded by a stone wall and mature borders, this creates ample off-street parking for multiple vehicles along with a single garage which has an up and over door, power, a further uPVC side door and benefits from a window at the back. To the rear of the property is a two-tiered garden.

The first tier is a patio terrace which is perfect for entertaining and outdoor dining during the summer months, and the second tier is laid to lawn with mature borders that surround the back of the property.

We understand the property is connected to all mains services, gas, electricity, water and drainage. Council Tax band E (Cotswold District Council). The property is freehold.
