Simply superb! "Mayfield" is a magnificent five bedroom, two bathroom period family home occupying a large corner plot with a beautiful rear garden enjoying a lawn, patio and well stocked flower/shrub borders. The stunning accommodation is laid out over four floors, including the cellar storage rooms, and retains much of the charm and character of its era which is so sadly lacking in today's more modern constructions. Generously proportioned rooms are ideal for the growing family, tastefully decorated throughout and include a spacious L-shaped hall, two excellent reception rooms and a dining kitchen to the ground floor. Stairs from the hall lead down to the useful cellar rooms and a spindled staircase leads upwards to the first floor where two of the bedrooms will be found, the master being en-suite, the fantastic large family bathroom and a useful additional storage room. Both the bathrooms also have underfloor heating.

A further spindled staircase leads to the second floor where the remaining three bedrooms will be found. The property also enjoys amazing views at the side and rear all the way into Manchester City centre and beyond. Cranbourne Road is superbly situated in the heart of Heaton Moor close to local shops, bars, restaurants, cafes, sports facilities and schools of all ages. In addition for the commuter Heaton Chapel train station is just a 0.5 mile walk away and operates into both Stockport and Manchester centres. Freehold with a chief rent of £5.36 per annum. Council tax band D. A viewing of this high quality property is strongly recommended!
