BRIEF DESCRIPTION:

Phase III Howards Way is now available following the incredible success of phases I & II. All the properties for sale in this new phase are 3- and 4-bedroom detached houses with garages and all will be built to the excellent standards to which the highly respected, KMH builders of Gayton have become synonymous.

All houses will have air-source heating, a large garage (approx. 20ft6 x 12ft1), offer a very light, airy, and open plan feel and all kitchens will boast a fitted oven, hob & dishwasher. The builder can offer the properties with a choice of kitchen & worktop etc. and on some of the house a choice of 3 or 4 bedrooms and much more. There is even the potential to purchase a plot as a fully serviced self-build.

The accommodation briefly comprises entrance hall with stairs to the 1st floor, W.C, and open plan living kitchen which if desired could have a partition wall added to separate the lounge. French doors will lead to the rear from the vaulted ceiling of the dining area and from the lounge and a door from the utility room will lead in turn to the garage.

To the 1st floor are 4 well-proportioned bedrooms with the principal bedroom offering an ensuite shower room as well as a family bathroom.

Outside the gardens will be laid to lawn with fencing to the boundaries, outside lighting, private parking and a generously sized garage.
