Location

Otter's Holt will be found off Little London Hill, and only a short distance to the north of the centre of the popular village of Debenham. Debenham itself is a picturesque and historic village which benefits from excellent local amenities including a small supermarket, hardware store, newsagents, tea shop, doctor's surgery, butchers, post office, greengrocers, veterinary practice, public houses and a leisure centre. It is also served by well regarded schools, Sir Robert Hitcham CEVAP Primary School and Debenham High School. The historic market town of Framlingham, with its medieval castle, lies approximately 7½ miles to the east, and offers further excellent schooling in both the state and private sectors. The County town of Ipswich (14 miles) and Stowmarket (10 miles) both offer more extensive facilities including mainline railway stations with regular services to London's Liverpool Street Station scheduled to take approximately 65 minutes and 85 minutes respectively. The Suffolk heritage Coast, with towns such as Aldeburgh, is approximately 24 miles. The A14 trunk road provides access in a westerly direction towards Bury St Edmunds, Cambridge and the Midlands. Norwich is approximately 25 miles to the north as the crow flies.

Description

Otter's Holt is an exclusive new development of just eight houses that is nearing completion by the well regarded local developer, New Homes (Suffolk) Ltd. Plot 5 comprises a stunning detached four bedroom house, that has been designed and built in the traditional Suffolk vernacular, yet incorporating a contemporary feel with a combination of brick and weatherboarded elevations under a pitched tiled roof. The property is ready to move into.

Being a newly built property Plot 5 is extremely energy efficient. There is an air source heat pump serving the central heating - underfloor heating on the ground floor, radiators on the first floor and under tile heating in the wet areas - and hot water systems, which is supplemented by a Photovoltaic panel array set within the rear elevation of the south facing roof. The property has also been fitted with UPVC windows in sash styles. Internally, Plot 5 has been finished to an extremely high standard with a high quality kitchen, installed by a local company, Debenvale, who specialise in the design, manufacture and installation of bespoke kitchens that are finished to an exceptional level of quality, together with branded integral appliances. The bathroom and shower room have also been fitted with high quality branded sanitary ware. The floors serving the kitchens, bathrooms and en-suites are tiled, and the remaining rooms have been carpeted.

The substantial rear garden has been turfed and there are paved pathways and patios to the front and rear, together with a shingled drive.

The property will be sold with a 10 year structural warranty and an alarm system.
