Location

Home Barn sits in a particularly pleasant location set back from the small lane within a cluster of other dwellings and adjacent to a farmstead. It enjoys countryside views and has the benefit of walks right from the doorstep. In addition, it is a 20 minute walk to the local Co-op and pubs. Within the neighbouring village of Combs Ford is a Primary School and Great Finborough school is in close proximity. Stowmarket town centre is a five minute drive and the train station being approximately a seven minute drive. Stowmarket offers a range of everyday amenities with a range of facilities including various shops on the high street, a TSB bank, post office and on the outskirts of the town, a Tesco supermarket. Within one mile of the property is a vineyard and nearby there is a children's playing field with outdoor exercise equipment.

Description

Home Barn is believed to date from 1800 and was converted in the late 1990s. It is of timber framed construction with weatherboarded elevations under a slate roof. Throughout each of the rooms there are exposed beams and whilst there is a wealth of period features, the property offers modern comforts. The vendors have carried out extensive works to the property which have included removing the render on the south facing wall and replacing beams, adding solid oak double glazed windows and doors throughout. They have also installed a stunning new kitchen and shower room, added new flooring, and new wood burners in both the living room and sitting room. The utility room was replaced and a new boiler and oil tank added. Outside there are attractive gardens and a spacious stable which has a multitude of uses.

Set away from the barn is a separate meadow that extends to approximately 1.1 acres. This low maintenance area has mown paths and is planted with a variety of trees. It would be ideal for a pony. It is available by separate negotiation.

Outside

To the front of the barn is off road parking for four vehicles. This leads to the cart shed that measures 23'8 x 11'8 (7m x 3.35m). This makes for ideal storage and at one end is the bunded oil tank that was fitted in 2023. Adjacent to the parking area is an area of lawn with Cherry and Olive trees. Here there is a high level gate to the side of the property and rear garden. This is south facing and immediately abutting the house are two areas of patio beyond which is lawn. There is planning permission for a veranda which would measure approximately 6m x 3m. The garden is fully enclosed by hedging as well as fencing and historic high level brick walls giving it great privacy. At the back of the rear garden is a patio area adjacent to which there are former brick built stables with part weather boarded elevations under a slate tile roof. In total it measures 19'9 x 20'6 (5.79m x 6.09m) and is subdivided into three sections. Power is connected and there are external power points also. Planning permission has been granted for a Velux window. The rear garden measures approximately 40' x 55'.

NOTES

1. Every care has been taken with the preparation of these particulars, but complete accuracy cannot be guaranteed. If there is any point, which is of particular importance to you, please obtain professional confirmation. Alternatively, we will be pleased to check the information for you. These Particulars do not constitute a contract or part of a contract. All measurements quoted are approximate. The Fixtures, Fittings & Appliances have not been tested and therefore no guarantee can be given that they are in working order. Photographs are reproduced for general information and it cannot be inferred that any item shown is included. No guarantee can be given that any planning permission or listed building consent or building regulations have been applied for or approved. The agents have not been made aware of any covenants or restrictions that may impact the property, unless stated otherwise. Any site plans used in the particulars are indicative only and buyers should rely on the Land Registry/transfer plan.
2. The Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017 require all Estate Agents to obtain sellers' and buyers' identity.
3. The plan within the particulars shows the barn and its gardens, and also the meadow and the right of access track. The meadow has a covenant upon it whereby the land must be used for garden or agricultural purposes only and no residential accommodation can be constructed. In addition, there is an Overage Deed in place until 2045 which is triggered by the granting of planning permission for dwellings. A copy of both documents is available from the agents.
4. To the front of Home Barn are farm buildings and it is understood there is rarely any activity. Since the vendors have lived at the property they are unlikely to see farm workers for a period of more than two weeks in one year. There is occasional farm machinery when the fields are cut. The vendors nor agents are aware if any planning applications in recent times to convert the agricultural buildings to another use.
