## Location

The popular village of Badingham has a pub, The White Horse, church and a village hall. Within 4 miles is the market town of Framlingham, which offers an excellent range of facilities including public houses, restaurants, a Co-operative supermarket, a dentist and medical practice. The town also benefits from well-respected schools in both the state and private sector. From the A1120 there is easy access to the Heritage Coast with its delightful villages and towns such as Aldeburgh, Thorpeness, Dunwich and Southwold. Ipswich is approximately 19 miles and here there are more comprehensive facilities as well as regular train services to London's Liverpool Street station that take just over the hour.

## Description

The property is ideal for dual family occupation. As the name would suggest, the main dwelling was previously a Mission Hall, that was constructed in the late 19th Century and converted to a dwelling in the 1960s. It is of brick construction under a tiled roof. Internally there is well laid out accommodation and the property benefits from UPVC double glazing throughout, an oil fired central heating system and PV panels. In addition is an excellent one bedroom detached annexe. Planning permission was given on the basis that it can be used as ancillary accommodation to the main dwelling. Beyond the annexe is a double garage and two home offices. The property has attractive and mature gardens which extend to approximately 0.3 acres.

## The Accommodation

### Old Mission Hall

#### Ground Floor

The main door opens to a porch that has a door opening to the

#### *Hallway*

Radiator and doors to the downstairs shower room, sitting room, study and an opening to the

**Site Plan**

## Outside

The property is approached off the lane via a shingle drive that leads to a five bar gate that opens to a drive/parking for ample number of vehicles. This leads past the annexe to a double garage that was constructed in 1994. It is of brick and block construction with part rendered elevations under a pan tiled roof. There are double garage doors to the front, both which have automatic lifters albeit it is understood that these have not been used in recent times. The garage measures approximately 19' x 17' and has windows to both sides. At the rear are double doors that open to the home office. This measures 16'3 x 10'10 and has UPVC windows to the rear and side and a partially glazed door to the exterior. It also has an electric heater. A door opens to a secondary office room or store/workshop that measures 16'3 x 7'9. This has a night storage heater and a UPVC window to the rear.

The gardens lie to the rear of the Old Mission Hall which is to the south-east. These are predominantly laid to lawn but contain mature trees, beds and shrubs. As well as greenhouses, there are two garden sheds and adjoining the Old Mission Hall is a boiler store which houses the oil fired boiler and a water softener.

The garden is fully enclosed by fencing, walls and hedges and whilst it is within the village, there is a high level of privacy. The grounds extend to one third of an acre.

# Old Mission Hall, Badingham

Approximate Gross Internal Area = 177.9 sq m / 1915 sq ft

Annexe = 59.3 sq m / 638 sq ft

Total = 237.2 sq m / 2553 sq ft

## Directions

Leaving Framlingham on the Badingham Road pass Shawsgate Vineyard on the left hand side. Continue for approximately 2 miles and at the junction with the A1120 turn right. On entering the village of Badingham turn left before the White Horse Public House into Low Road. Take the next turning right into Mill Road and continue on this lane where the Old Mission Hall will be found on the right.
