Location

Debenham is a picturesque and historic village which benefits from excellent local amenities including a small supermarket, hardware store, newsagents, tea shop, doctor's surgery, butchers, post office, greengrocers, veterinary practice, public house and leisure centre. It is also served by well regarded schools, Sir Robert Hitcham CEVAP Primary School and Debenham High School.

The historic market town of Framlingham, with its medieval castle, lies approximately 7½ miles to the east, and offers further excellent schooling in both the state and private sectors. The County town of Ipswich (14 miles) and Stowmarket (10 miles) both offer more extensive facilities including mainline railway stations with regular services to London's Liverpool Street Station scheduled to take approximately 65 minutes and 85 minutes respectively. The Suffolk heritage Coast, with towns such as Aldeburgh, is approximately 24 miles. The A14 trunk road provides access in a westerly direction towards Bury St Edmunds, Cambridge and the Midlands. Norwich is approximately 25 miles to the north as the crow flies.

Description

30 Gracechurch Street is a spacious four bedroom detached family home of approximately 2335 sq ft. The property is constructed of rendered and colourwashed elevations under a pitched tiled roof. The current vendors are the original occupants since the property was built just over 20 years ago and have maintained the property extremely well during their tenure. The front door leads into the spacious reception hall with a staircase that rises to the first floor galleried landing. Doors from the entrance hall lead to the well laid out accommodation on the ground floor comprising a sitting room, dining room and a family room, all of which are light filled rooms and of good proportions. In addition there is a kitchen/breakfast room with French doors leading to the rear terrace. There is also a utility room and cloakroom.

On the first floor there are four good sized double bedrooms and a family bathroom. The principal bedroom has dual aspects to the front and rear with a separate dressing room and en-suite shower room. The guest bedroom also has an en-suite shower.

The property benefits from oil-fired central heating with radiators throughout and timber framed double glazed windows.

There is also an integral double garage measuring 19' x 18' (5.66m x 5.49) with power and light.

Outside

The property is approached from Gracechurch Street, turning into Knights Close and is entered via the first driveway on the left hand side. There is ample parking in front of a integral double garage. The gardens to the front are immaculately tended, being enclosed by picket fencing and having established lawns, shrub and flower beds.

The borders are well stocked with a mixture of cottage flowers and plants.

From the front garden there is a gated side access behind a willow fence that leads to a private and secluded paved terrace, overlooking established flower borders. There is a timber greenhouse. The oil tank is hidden from view which has been cleverly and discreetly covered. Walking from the side to the rear garden, there is a pathway that circumnavigates the property and gives access to the lawned area at the rear where there are two strategically placed seating areas, one of which is under a pergola with beautiful Virginia Creeper above and the cottage style planting is hugely attractive and interesting, providing a very calming atmosphere. There is an outside tap, sensor and ambient lighting.
