Location

The land lies within between the Wyverstone Road and the Wetherden Road in Long Thurlow, a delightful hamlet, on the boundaries of Badwell Ash and Great Ashfield in Mid Suffolk.

The A14 trunk road, just five miles to the south, provides quick and easy access to the Cathedral town of Bury St Edmunds (11 miles) and Stowmarket (10 miles). Both towns providing a comprehensive range of amenities and facilities, Stowmarket also providing a commuter rail link to London's Liverpool Street Station (90 mins).

Description

The property comprises a productive and good sized block of arable land - extending in all, to approximately 247.66 acres (100.234 hectares), as shown for identification purposes outlined red on the enclosed plan. The land has been farmed by the vendor to a high standard and the cropping has typically been under a white straw rotation of wheat, barley, oil seed rape, sugar beet and beans.

The land is gently undulating and classified as Grade 3 under the DEFRA 1:250,000 Land Classification Map. The soil type is classified as 'Ashley', being a productive loamy and clayey soil, ideally suited to arable and grass rotations.

The land adjoins and can be accessed from Wyverstone Road to the north, Wetherden Road to the south and centrally, there is access off Braziers Lane. The land is comprehensively drained and a copy of the drainage plans are available for inspection with the Agent.

Viewings

At any reasonable time, with particulars in hand, by prior arrangement with the Agents.

Rights of Way, Wayleaves, Easements Etc.

The property is sold subject to and with the benefit of all rights of way, wayleaves and easements that may affect the land. There is a public footpath running along the western field boundary between Braziers Lane and Wyverstone Road. Braziers lane is understood to be a Byway Open to All Traffic. A small corridor through the eastern end of the land is sold subject to the reservation of an easement for the installation of an underground electricity cable - further information is available from the Agent.

Timber, Sporting and Minerals

All sporting rights, standing timber and mineral rights (except as reserved by statute or to the Crown), in so far as they are owned, are included in the sale of the freehold.

Environmental Stewardship Scheme

The land forms part of a Countryside Stewardship Mid Tier Agreement (Agreement No. 1462371), which commenced on 1st January 2023 and terminates on 31st December 2027. The Purchaser will be obligated to take on the requirements of the Scheme through to its termination.

Boundaries

The vendor shall not be required to define the boundaries on the ground. These are shown for identification purposes only outlined red on the enclosed plan. Purchasers should satisfy themselves with regard to these and no error, omission or misstatement will allow the purchaser to rescind the contract nor entitle either party to compensation thereof.

The property is registered with the Land Registry under Title Numbers SK308107 and SK 334161.

The purchaser will be required to erect a fence (with a minimum of wooden posts and wire) or plant a hedge along the newly created boundary between points 'A' and 'B' on the sale plan. This shall be done within six months of completion.

Town and Country Planning

The property is sold subject to any development plans, tree preservation orders, ancient monument orders and Town and Country schedules or other similar matters that may be or come into force.

Outgoings & VAT

The land is sold subject to any drainage rates and other outgoings that may be relevant. Should any sale of the land, or any right attached to it, become a chargeable supplier for the purpose of VAT, such VAT shall be payable by the purchaser in addition to the contract price.

Quotas and Basic Payment Scheme

No Entitlements nor any other quotas are available with the land. The vendor will receive and retain all de-linked Basic Payments relating to the land.

Tenure and Possession

The land is sold freehold with vacant possession.

Information Pack

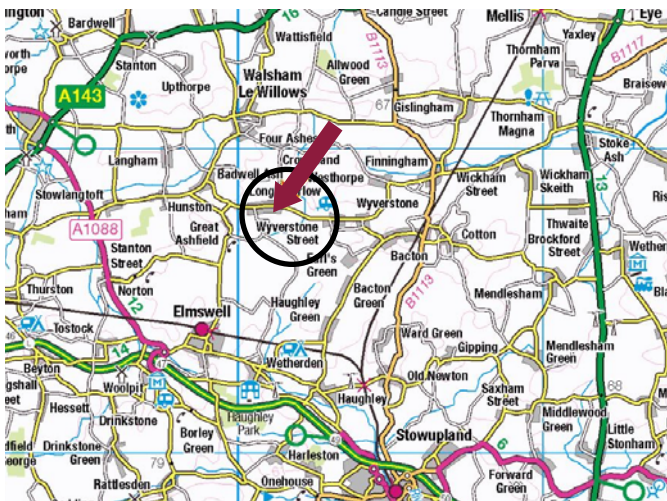

An information pack containing further details relating to the land (previous cropping, land drainage, soil indices etc) is available for inspection at the agent's office all can be e-mailed to interested parties.
