Guide Price £650,000

BEACON COTTAGE

LAKE BANK, WATER YEAT, ULVERSTON,

A highly desirable and spacious four bedroom traditional Lakeland cottage close to the shores of Coniston Water. Previously a cottage and a barn which have been amalgamated into one deceptively spacious and well planned and presented cottage. In addition, it benefits from three reception rooms, two ensuites and a house bathroom, plus a highly useful attic room which could be used as an occasional fifth bedroom or study. Attractive features throughout including solid oak floors, oil fired Aga and hardwood double glazed sealed windows.

Nestled in an attractive setting, set in approximately 6 acres of shared grounds as well as 1/3 acre of private garden and lovely country and seasonal lake views. Beacon Cottage is one of 11 individual properties on the Lake Bank Estate. Car parking for three vehicles.

A highly desirable and versatile property which would suit a wide variety of purchasers whether as a permanent residence or second/holiday home.

Lake Bank is a private residential estate lying to the north of Water Yeat. It is a small hamlet of 11 properties on the west side of Coniston Water, one of the most well known bodies of water in the heart of the Lake District being the third largest by volume, and the fifth largest by area. It is five miles long by half a mile wide and there are views of it from inside the cottage and from the gardens. Local places of interest include Brantwood (once home to John Ruskin, one of England's greatest art critics, thinkers and social reformers) and the Ruskin Museum in Coniston.

Coniston has a selection of essential shops and general service providers including a Co-op general store, doctors' surgery, chemist and petrol filling station. There are primary and secondary schools (aged 11 – 16 years).

Superbly positioned with an abundance of fell and country walks from the door step. With the Coniston Water and access to it only a stones throw away.
