1 Lutyens Drive, Paignton, TQ3 3LA

A very well presented four bedroom detached house occupying a corner plot in a modern estate in Paignton with superb sea views, double-width driveway, garage, master en-suite, modern kitchen and a level garden. This is a superbly presented property and we strongly advise early viewings to avoid disappointment.

The Accommodation:

Entering the property through the composite front door, you are greeted with an entrance hallway with light décor and grey vinyl flooring and cloaks/WC off. There is a modern kitchen with ample storage and worktop and boasting a selection of built in appliances, gas hob and wall mounted electric oven and is beautifully finished with granite worktops. A side door from the kitchen provides access to the rear garden, and an internal door leads to the dining area. To the rear of the property is the large lounge and open archway to the dining area. The lounge/diner is the whole width of the property and has sliding doors to the rear garden and recently laid vinyl flooring. There is also a feature fireplace in the lounge area.

Upstairs there is a central landing with access to all four bedrooms and the family bathroom. The fourth bedroom is a good-sized single, currently being used as an office and enjoys far-reaching views to the sea. The third bedroom is located to the front of the property and is a double bedroom with built-in wardrobe. Splitting the fourth and third bedrooms is a beautiful modern family bathroom, a modern tiled room with shower above the bath, WC and basin. The second bedroom is a large double with built in wardrobes and the same fantastic views of the sea. The master bedroom is located to the front of the property with a Juliet balcony overlooking the front garden, the room is the largest and also benefits from built-in wardrobes. With neutral décor, the room is light and airy and boasts a fully-tiled en-suite shower room.

Outside:

Next to the drive is the front garden which is mostly laid to lawn with mature shrubs to one side obscuring the road. The property has a side path allowing access to the rear garden without going through the property. The rear garden is again mostly laid to lawn with mature shrubs along its borders. The whole garden has been fenced to provide privacy and security for pets or young children. Off the back of the property is a level patio area which is ideal for al-fresco dining. The rear garden enjoys superb sea views across part of Torbay.

Parking:

The current owners have widened the driveway to enable 2 vehicles to be parked side by side and there is a single garage with up and over door, power and light.
